Event: Holiday Service/Luncheon
For Residents of Lakeside
Manor - Home for Adults

CLASS A UNIFORM REQUIRED

Each year, Troop 37 helps support our community by being of service to those in need. One way we do this is by helping with the above event. Here are two ways that you can help:

1. Participate in this event by doing the following:

- Be the Honor Guard at the church entrance before the short Holiday Service.
- Be a server at the luncheon.
- After lunch, hand out the toiletries that you collected.
- Clean up after the luncheon.

2. Collect toiletries to be handed out at the above event.

- Bring them to any troop meetings up to Jan 3rd.
- Drop them off at Ben Lattanzio's house – 178 Manor Rd.
- Your choices are shampoo, soap, deodorant, toothpaste, toothbrushes, combs, hairbrushes, shaving cream, shaving razors, and talcum powder.

Remember: this is one of the most important activities for the Residents of the Lakeside Manor Home for Adults. Here's what the church wrote about us: "The presence of the Scouts was inspiring; their help was essential to the success of the event. The boys were attentive to the needs of the guests and gracious in their willingness to serve the less fortunate."
