

Eagle Project

Dear Scouts, Parents, and Friends,

The time has come for my Eagle Scout Leadership Project. The project will be on Saturday April 05, 2014 and we will be meeting at 8:45 AM at the corner of Huguenot Ave and Chester Ave S.I., NY 10312. The project should last into the afternoon.

The project is building a gateway that advertises the dog park (Wolfs Pond Pooches), and is an entrance way for emergency vehicles. We will also be cleaning up some running trails in the same general area. We will be using rakes, shovels, paintbrushes, post hole diggers, and power tools to complete the project. If you have any of these supplies and are willing to donate or loan them for my project (they will be returned) that would be a great help. If you plan on bringing any materials, please call/ e-mail me at the listed contact information, as soon as possible.

We will be digging, building, painting and cleaning in a park area so be prepared to get a little dirty. Wear older clothes and boots and please bring workgloves. It may be muddy still.

Please call/ e-mail me to let me know if you can go, if you have materials, and/or if you can't go but have materials to lend.

Any help or time that you could offer the day of the project would be greatly appreciated. Breakfast and lunch will be provided

Thank you in advance for your help.

Yours in Scouting,
Christopher Gundacker
