## **AHA Heartsaver AED Heartsaver First Aid**

CPR and First Aid skills for civilian first responders.

This program leads to American Heart Association card certification recognized by the State of New York and the NYC Department of Education as well as scuba regulatory agencies. The CPR portion of the program includes CPR skills, choking rescue, use of protective breathing devices and scenario work in the use of Automated External Defibrillators (AED's).

First Aid skills include information on medical and injury emergencies with hands-on sessions involving control of bleeding, interfacing with 911, infection control, personal protection and use of the Epi-Pen for allergic reactions.
